**7th Annual Pharma Manufacturing
& Automation Convention 2025**

October 8th – 9th | HICC Novotel Hyderabad

Post Show Report

7TH ANNUAL PHARMA MANUFACTURING & AUTOMATION CONVENTION 2025

LEAN, CLEAN, DIGITALLY MEAN - PHARMA MANUFACTURING

The **7th Annual Pharma Manufacturing & Automation Convention 2026**, co-located with the Pharma Manufacturing & Automation Excellence Awards, brought together the sharpest minds in pharmaceutical manufacturing, quality, operations, and digital transformation. Over two power-packed days, more than 500 industry leaders, solution providers, and regulators gathered to reimagine the future of pharma under the theme: "Lean, Clean, Digitally Mean."

This year's edition stood out for its interactive panels, case-driven workshops, and real-world solution showcases, with a strong focus on AI adoption, smart factories, sustainability, lab automation, and workforce upskilling.

EVENT HIGHLIGHT

- **300+ Delegates** from pharma, biotech, and allied industries.
- **80+ Speakers & Panellists**, including CIOs, CTOs, CHROs, and operations leaders.
- **25 Excellence Awards** recognizing individuals and organizations shaping the future of pharma.
- **10 Pre-Event LinkedIn Live** Sessions engaging **20,000+** online viewers.
- **50+ Solution Providers & Exhibitors** showcasing cutting-edge digital, automation, and manufacturing technologies.

CONFERENCE THEME

- Driving profitability without compromising quality in the **digital era**.
- Smart factories and **golden batch analytics**: ensuring efficiency, speed, and accuracy.
- Scaling pilots to **enterprise-wide digital adoption**.
- R&D lab **automation**: bridging science and technology.
- Workforce transformation: microlearning, **leadership** in VUCA times, and future-ready skills.
- **Sustainability** and green manufacturing excellence.

AWARD CEREMONY

The **Pharma Manufacturing & Automation Excellence Awards 2025** was co-located with the conference and recognized 25 outstanding achievers across organizational, individual, and jury's selection categories.

- **Organizational Awards** celebrated achievements in operational excellence, sustainability, automation, and company-wide transformation.
- **Individual Awards** honoured leaders in automation, sustainability, future-ready leadership, workforce development, and manufacturing icons.
- **Jury's Selection Awards** paid tribute to legendary figures with the Pharma Manufacturing Leader Award and Life's Achievement Award.

The **winners** set benchmarks of **excellence** and inspired peers to continue raising industry standards.
